

Self Employment Is An Option!

The Self Employment Program provides an opportunity to start or purchase your own business.

To be eligible you must meet eligibility criteria as outlined by Employment Manitoba (EM).

The business cannot be in direct competition with an existing business in your market area.

See your local Employment Manitoba Centre for more details.

Self Employment As An Option!

Assists eligible individuals with a viable business idea to create their own employment

Employment Manitoba (EM) Entrepreneurship Training & Trade will:

- Use a one to one assessment process to help you decide whether self-employment is right for you.
- Determine if you are eligible for the Self-Employment Assistance (SEA) Program.
- Refer you to service delivery agents (Community Futures Heartland) who are contracted to evaluate your business concept and assist you in the development and implementation of your business plan.

Who Can Participate?

General eligibility criteria

You must be legally entitled to work in Canada, have a viable business idea and meet one of the following criteria:

- Unemployed or
 - ⇒ Working less than an average of, 20 hours/week,
- Unemployed and
 - ⇒ Receiving or are eligible to receive, Employment Insurance (E.I.) Benefits,

⇒ Have had an E.I. Claim that ended within the previous 36 months,

OR

⇒ Have had a maternity or parental claim that started within the previous 60 months.

OR

- Employed individuals who are low skilled or lower income individuals or family with dependent child(ren)
- Job threatened and eligible for E.I.

Some exceptions apply, mainly for those who:

- Participated in skills funded by EM training in the previous two years.
